FROM THE EAGLES NEST

Issue #13

What a Season, What a Club.

Well, that escalated quickly.

Saints wrapped up the season with a perfect four-from-four Grand Final record. Two junior teams. Two senior teams. Four opportunities to perform on the biggest stage, and four premiership trophies heading home in red, white and green.
As if that wasn't enough, our Division 2 Men decided two trophies weren't enough and completed the club's first-ever treble, adding the Crad Evans title in Cairns to an already remarkable season.

Then came Senior Presentation Night, where the silverware was polished, the achievements celebrated, and any plans for an early night were abandoned somewhere around the opening of the dance floor.
A massive thank you to our committee, coaches, managers, sponsors, life members, club captains Chloe and Andy, and our ever-reliable MC, Jake Edmunds, for helping make it such a memorable evening.
Success on the field is worth celebrating, but nights like these remind us that the best part of Saints has always been the people.
What a season. What a club.
See you in 2027. 💚❤️🤍
