# FROM THE EAGLES NEST

Issue #1

## OPENING WHISTLE

I'm incredibly excited for the 2026 season to get underway. This year we've appointed some outstanding people in key roles – Michael Harris as Head of Senior Football, Chantelle Dunn as Head of Women's Football, and Paul Szabo leading our Eagles of Excellence program.

These three, along with our wider coaching and support teams, will ensure 2026 is bigger and better than ever before. We're going to challenge ourselves, raise standards across the club, and make life tough for our opposition every time we step onto the park.

I can't wait to see everyone out there this year and get stuck into what promises to be a great season. I hope you're all as excited for 2026 as I am – let's make it one to remember.

## AROUND THE GROUNDS

January threw everything at us — over 500mm of rain, 200mm above average, and more than 18 soggy days. The crew grabbed every narrow weather window to whip Aitkenvale Park into shape for senior training. Marron Crescent was more swamp than field, but last weekend's sun finally allowed eight solid man-hours of mowing to tame the jungle. Now both grounds are looking sharp and ready for the season.
