## SHOUTOUTS

- 🏆 **U15 Eagles:** Leon's been hitting GK training early, working hard, and bringing an unreal attitude – big things coming this season.
- 🏆 **12/13 Eagles:** Coach Matt and Coach Camille have been putting in the work with the girls, and it's showing – Demi smashed home some cracking shots, even beating the Prems Women's keeper.
- 🏆 **12/13 Rubies & Eagles:** Shelby and Danni crushed a holiday GK session, working hard on hands, footwork and diving – great energy from the pair

## AROUND THE GROUNDS

A soggy lead-up meant washed-out sessions, shared spaces and plenty of teams dropping to one training or no training – but the patience and teamwork across the club have been outstanding. That “we’re all in this together” spirit is showing through and we’re genuinely grateful for the cooperation that’s kept the club moving through a messy start.

Thanks for your patience

## GAME OF THE WEEK DIVISION 1 WOMEN- 29<sup>TH</sup> MARCH

Saints Div 1 Women took on a strong MAO side Friday night, going down 4–0 but showing huge growth, grit and plenty to build on. Saints created chances throughout the match, including a brilliant corner by Ally, straight off the training ground that forced a sharp save from the MAO keeper. The backline worked tirelessly, absorbing pressure and staying composed, while the team pushed forward to create several quality shots that were unlucky not to hit the net. The result didn't fall our way, but the effort, attitude and week-to-week improvement are clear steps forward for this group.
