# FROM THE EAGLES NEST

Issue #6

## PLAYER FEATURE

Gray from U11 Eagles enjoyed his first game in Saints colours. Gray's parents from Austec also sponsor our club. Gray loves playing with the U11 Eagles. His favourite part is how good the team is at passing & taking shots. The best part about Saints is getting to play with new and old friends. Gray is enjoying how Coach Andy helps to explain new things and how to use your whole body for soccer, particularly that he shows them what he means. Gray enjoys playing Right Back & Right Wing

Welcome to our team Gray! We love having you

## IRRIGATION HELP NEEDED

Our junior fields are in serious trouble – volunteers are spending hours each week manually sorting sprinklers just to keep the grass alive. We urgently need a local irrigation specialist who can repair or replace our current system, and we'd love to support a small local business. If you can help, or can recommend someone who can, please reach out – our fields can't wait

## AROUND THE GROUNDS

Aitkenvale Park was at its glorious best on the weekend – sunshine, great-looking fields and a buzzing atmosphere. Not every result fell our way, but the SESFC U16–18 Strikers lit up the morning with a huge 9–0 win over MA Olympic. The nachos sold out fast, the crowd was loud, and the club spirit was unreal. Our next big run of back-to-back-to-back home games isn't until June, but there's plenty of men's action at the Eagles Nest to keep things pumping.

## GAME OF THE WEEK

**Sunday 26<sup>th</sup> April U14-16 Emeralds vs Northern Beaches**

The 14-16 girls had their first hit-out of the season against Northern Beaches, and the Emeralds absolutely shone.

Beautiful angled balls, strong support play and smart drives into space created wave after wave of momentum, finishing in a well-earned 8-0 win despite a valiant effort from the Northern Beaches keeper. A fantastic start – and hopefully a few more chances ahead to keep practising that club song.

## MEMBER PROTECTION INFORMATION OFFICER (MPIO)

MPIOs play an important role in Australian sport by helping create safe, fair and inclusive club environments. They're there to listen when a member has a concern and to guide them toward the right place for support or resolution.

An MPIO provides information about a person's rights, responsibilities and options, and offers support throughout the process. They don't investigate complaints, mediate disputes or make decisions – they remain independent and impartial, separate from the club's Integrity or complaints processes.

The MPIO for Saints Eagles Souths Football Club is Natasha Tetlow.
