Issue #8

★PLAYER SPOTLIGHT★

🏆 **U9 Strikers:** A fantastic time was had at the MAO Bob Parkes Family Cup, with two of their players making the All Stars team. Check out their cool Jerseys.

🏆 **U12/13 Eagles:** Saturday 30 May was a huge day at juniors, rolling straight into the Warriors Carnival, where our 12/13 Girls capped it off in style by winning the Grand Final

🏆 **U11 & U12:** What a cracker of a Saints v Saints exhibition match, and yes, spoiler alert, Saints took the win. Brilliant Heritage Round display

🏆 **U11 Eagles:** Well done to the U11 Eagles on winning the players-vs-parents match — proving once again that speed beats “experience”.

NUTMEG CORNER

With the World Cup beckoning, it's easy to get caught up in the euphoria of the skills on show from the world's elite and our favourite players. Players will immediately head to the back yard to practice what they've seen on TV. While this is fun to emulate, remember the world's best had to master the basic skills of the game before performing the tricks.

So while you're working on the skills of these unbelievable players, PLEASE REMEMBER to practice the basics, especially first touch and passing.

Remember- GOOD players practice until they get it right. GREAT players practice until they NEVER GET IT WRONG. Listen to your coach, master the basics and perhaps you'll become the first Saints player to play in a World Cup!

AROUND THE GROUNDS

Sunday 7th June saw the whole club come together for Heritage Round, with four great matches and an electric Saints-v-Saints exhibition game showing our SES spirit in full force. Our grounds crew and committee worked tirelessly to get the fields looking spot-on, and it truly showcased what we're all about. A huge thank-you to everyone involved — and with Saints taking all the wins, there's officially no excuse for anyone not knowing the team song.

GAME of the WEEK

Saturday 13th June Rd 7
12/13 Rubies v Wulguru Stars

Rubies took on Wulguru in hot 1:15pm conditions, but the girls didn't let the heat slow them down. With thanks to Leilah from 10/11 girls backing up, giving us two subs, the game stayed tight end-to-end, both sides creating chances and the keepers pulling off some great saves. Wulguru struck first, but the Rubies dug deep, kept their heads up and found the equaliser in the second half. Well done Rubies, you played with heart and earned a well-deserved 1-1 draw.
