Juniors 2026: A Big Finish and a Bigger Thank-You

What a season. Juniors are officially wrapped for 2026 — just in time for all the “summer sports” to start stealing your Saturdays. A huge thank-you to every parent, grandparent, and supporter who spent countless hours hauling kids to trainings, games, and last-minute boot hunts. I hope you get at least a week off before the boredom kicks in. Personally, I last about two football-free weekends before I start pacing around like a retired footballer looking for one more match.

Massive thanks to our presentation-day heroes — BBQ crew, canteen legends, clean-up champions, and the brave souls supervising sugar-charged juniors. You kept the chaos fun, loud, and only mildly feral.

Here's to next season... and please, I beg you, empty the soccer bags. Whatever lifeform is growing in those socks is not eligible to register for 2027

Thanks for a great season
